

# Kick start your career in the health professions!

## Undergraduates welcome!

College of Medicine

Department of Cellular and Molecular Medicine

### Human Histology: An Introduction to Pathology

CMM 410/510 – 3 units  
Summer Pre-session 2016: May 16<sup>th</sup> – June 4<sup>th</sup>

This course will provide pre-health science professional students (e.g. Medicine, Pharmacy, Nursing, Public Health) as well as students planning a career in biomedical research with essential background in functional morphology of human tissues and organs. Pathology examples will be used to help illuminate normal structure and function.

**Prerequisite** is an introductory biology course that includes basic cell biology, or permission of the instructor.

Contact Dr. Helen Amerongen with course questions or for permission: [hma@email.arizona.edu](mailto:hma@email.arizona.edu)

To register visit: [www.summer-winter.arizona.edu](http://www.summer-winter.arizona.edu).

Registration opens in early March.
